

Beach Motor Camp & Accommodation

Welcome!

Please read me first.

Thank you for choosing to stay at Orua Bay!
We proudly have a reputation for being a peaceful family camp and we ask that you cooperate with our guidelines to ensure all our guests have a safe and pleasant holiday.

OFFICE HOURS

9:00am - 6:00pm.

ARRIVAL TIMES / CHECK OUT

Check In 2:00pm - 8:00pm. Check Out 10:30am.

CAMP SITES

Camping Ground Regulations require tents, caravans, etc to be 1.5 metres from all site boundaries. Please position your tent/van carefully. Everything you bring into the camp must fit on your site (including your vehicles) - or it must be parked outside the camp.

POWER CONNECTION

All vehicles connecting to power must display a current electrical WOF. All camp site electrical connections must be with RCD protectors.

VISITORS / GUESTS

Visitors and guests are only admitted by courtesy of management. Please ensure that they afford us the courtesy of reporting to the office before entering the site or unit area. A daily fee applies per visitor. All visitors must leave the camp by **9:00pm**. A limit of **SIX persons** staying per site shall not be exceeded.
Visitor's cars are not permitted in the Motor Camp.

NOISE

Noise must be reasonable at all times and must cease between 10:30pm and 7:00am. This includes the use of showers, washing machine and clothes dryer.

RUBBISH

Bins are located behind the shower block; please assist us to recycle by using the correct bin. As there is no glass collection in this area please take your glass away with you.

CAMPERVAN SEWAGE/DISPOSAL

Our drainage system only takes grey water. We do not have a dump station-the nearest station is located in Waiuku.

WHEELS

Scooters, skate boards, and bikes are not to be ridden in the Motor Camp. Motorbikes, Quads, ATV's etc are not permitted in the campground to ensure safety.

FISH CLEANING

Please don't clean fish and shellfish in the Motor Camp. A table and spade are stored under the pine trees for fish cleaning on the beach. Fish scraps should be buried below the high tide mark. Please wash and return the table and spade.

GAMES / TREES

No games or sports, passive or otherwise, are permitted in the Motor Camp grounds. A playground is located next door. Children are to be supervised at all times during your stay. Sprinklers are necessary to keep our grass green. Please use pathways wherever possible when sprinklers are on. Trees are our future shade and shelter; please do not climb or attach ropes and clothes lines at any time.

WATER

Our water is potable and precious. Please try to avoid waste. This includes the beach tap.

DRIVING WITHIN THE CAMP

This is restricted to formed roads and at a walking pace only. If arriving after gates are closed (9:00pm) please park your car outside the camp and walk through. No traffic in or out of the camp before 8:00am please.

FIRES / FIREWORKS

Open fires & fireworks are strictly prohibited. BBQ's and fish smokers are acceptable if placed on a solid non-flammable surface (not directly onto the grass). Braziers are not permitted.
